

# Sermon Notes

## Just hearing Jesus won't save you...

Luke 6:43-49

*Intro: Jesus draws a dividing line...*

### 1. Trees and their fruit: (6:43-45)

**"You can tell someone's heart condition from their speech"**

So true followers of Jesus will be characterised by:

➔ *Gracious, merciful, forgiving speech* (cf. 6:37-38)

➔ *Not blind, self-righteous judgementalism* (cf. 6:39-42)

### 2. Builders and their foundation: (6:46-49)

**"Safety = not just coming to hear Jesus, but doing what he says"**

So true followers of Jesus will be characterised by:

➔ *Lives built on actually doing what Jesus says*

➔ *Not just coming to hear Jesus and leaving unchanged*

Q. HOW do we sometimes avoid doing what Jesus says?

Q. WHY do we sometimes avoid doing what Jesus says?

Q. But why is it actually WORTH building our lives on his words?

Space for reflection:

What has Jesus said recently in his word that I need to respond to?

*Conclusion: Two people walk into a Bible-teaching church...*
