

## **Sermon Notes**

The regrets, repentance and rejoicing of Christian ministry  
*2 Corinthians 7v5-16*

v5-8 Challenging people towards repentance leads to pain  
(it's regretful but necessary)

v9-12 But pain leads to repentance and then salvation  
(or does it?)

v13-16 And repentance leads to comfort and rejoicing  
(so it's worth it)
