Interpretative comment

Workers (vv5-8)

- Obey the instructions you are given by your bosses
- Do so because you are serving the Lord, not people
- The Lord will reward us

Bosses (v9)

- Treat those who work for you justly and fairly, remembering that we all live in submission to God.

Concluding comments

- God wants Christians to be Christians at work
- A Christian should not be career driven
- Christians need to be careful not to burn out
- Work is an opportunity to commend Christ...
- but fraught with dangers and difficulties, so we need to support one another
