

Sermon Notes

The real God can save

Jonah 1:17-2:10

Intro: two types of reasons to take God seriously

- 1) *You can't ignore him (last week)*
- 2) *You wouldn't want to (this week)*

1) The real God can, and does, save

2) Even from death itself

3) So ONLY the real God owns salvation

a. The ability

b. The right

Conclusion: if I'm trusting this God with my death:

- am I thankful?
- am I compassionate?
