Resurrection Hope

Job 13-14

The failure of Job's friends (13:1-12)

1. The hope Job longs for to help him through suffering

- a. "Fellowship with God is my greatest need..." (13:13-22)
- b. "...but I realise sin and death ruin that..." (13:23-14:12)
- c. "...therefore resurrection is my only hope" (14:13-22)

2. The hope Christians have to help them through suffering

Two certain hopes that come through Jesus' resurrection:

- a. Sin has been removed and we have fellowship with God
- b. Death has been defeated and we will be renewed by God
