

# Sermon notes

## Praying through God's promises (with Solomon)

1 Kings 8:14-56

*Intro: A day like no other... with a prayer to keep learning from*

**It really is worth praying...**

**1. ...in glad praise of God: for keeping his specific words of promise**

8:15-24; 8:56

**2. ...in bold requests to God: to do what he has previously promised**

8:22-26

**3. ...in humble appeal to God: to help sinners through the cross of Jesus**

8:27-57

Then: in God's name at the temple

Now: in the name of Jesus at the cross

*Conclusion: Confidently praying even in days when God is less visible....*
