

Sermon Notes

Consider Jesus...the greatest name in heaven and earth

Hebrews 1:5-2:4

Intro: will we stick with the Son?

1. God has spoken: previously through angels but now through his SON **1:1-2; 2:1-4**

→ So pay even more attention and don't drift from his gospel!

2. Because the Son is WAY greater than the angels, in two senses of "Son" **1:2-6**

...as the divine, eternal "Son of God": the same nature as the Father

v6: Who also deserves worship as GOD THE SON!

...as the human, appointed "Son of God": the role of Davidic king, heir, judge

v5: The Psalm 2, 2 Samuel 7, Davidic king 'SON OF GOD'!

3. Which means AMAZINGLY BIG things can be said about Jesus (unlike angels) **2:7-14**

w7-8: The Psalm 45:7 Davidic king 'SON OF GOD' who shares God's rule

w10-12 Who is also the unchanging creator GOD THE SON!

w12-14 The Psalm 110 Davidic king 'SON OF GOD', appointed judge of all nations

Conclusion: what if an angel turned up at Redeemer...?
