

Sermon notes

How to pray in the face of death

Psalm 90

Intro: what do you say to God in a crisis?

1. You, God, are an everlasting home	1-2
2. But we humans are fragile and fleeting...	3-6
3. ...because of your wrath at our sin	5-10
→ So teach us to wise up to this and not ignore it	11-12
→ And we appeal to you to show us compassion...	13
...so we can be satisfied with your love	14
...and be content despite affliction	15
...and be eternally productive	16-17

Question to discuss in Zoom breakout groups: what does a wise perspective on life involve according to Psalm 90? (Which aspect do we most need to remember personally at the moment?)
