Joy and Satisfaction in a Dry and Weary Land

Psalms 63

Intro: how do you handle weariness from tough circumstances?

Let's watch and learn from God's king... (v11)

1. God's king thirsts and seeks for God above all (1-4)

...even when facing deeply wearying circumstances

But how?!

→ He consciously recalls what he knows of God

2. And God's king finds rich satisfaction... (5-8)

...even when struggling to sleep

But how?!

→ When he remembers and meditates on God his helper

3. And God's king has joyful confidence for the future...

...even in the presence of opposition

Conclusion: will we seek satisfaction in God and his ultimate king this Christmas?
