

Sermon notes

Servant-hearted discipleship

Mark 8.31-9.29

- 1) Jesus is our example of servant-heartedness *(8.31-33)*

- 2) Following Jesus means serving, suffering and not being ashamed of him, but it's worth it a thousand times over *(8.34-38)*

- 3) As we look forward to meeting Jesus when he returns in glory, listen to what he says about how we should live now *(9.1-13)*

In a world of despair and disorder, servant-hearted discipleship means depending on God through prayer *(9.14-29)*
