Certainty about the resurrection

Luke 23:50-24:12

How do we approach the resurrection?

Luke's account is literal, not a legend

Be certain that...

1. ...the resurrection really happened

- *On Good Friday, the tomb was occupied*
- *On Easter Sunday, the tomb was empty*

2. ...the resurrection had to happen

- *The fulfilment of what God had promised*
- *The beginning of the end for death*

3. ...we have all of the information we need to make a decision about the resurrection
