

Sermon Notes

It has always been God's choice...because it is mercy

Romans 9:14-18

v14a **Question**

Is God unrighteous for electing some for salvation and not others before they have done anything good or bad?

v14b-16 **Answer**

*No, for it is by sheer mercy that **anyone** is saved (e.g. Golden Calf and aftermath)*

v17 **Further answer**

God can even harden some to show his mercy to many more (e.g. Pharaoh and aftermath)

v18 **Conclusion**

God always does what is right according to his will (though we might not understand it)
