

Sermon Notes

Let Love be Genuine

Romans 12v3-13

Intro: What does great worship look/feel/sound like?

- *Shouldn't we ask God?!* (12:1-2 vs 1:21-25)

God-pleasing worship involves growing in... (12:1-2)

- 1. A right view of myself: sobered by God's gospel mercy**
(12:3)

[Which is the foundation for everything else...!]

- 2. A right view of church: many parts, one body in Christ**
(12:4-5)

- 3. A right view of gifts: our differences are to be used for the body!**
(12:6-8)

- 4. A right view of love: genuine multidimensional enthusiasm**
(12:9-13)

Conclusion: has God's gospel of grace got you up for this yet?
