

Sermon Notes

Are we anxious about the right things? (Part 1)

Luke 12:1-12

Intro: Being public as a Christian (and a church) can be scary...

As both the crowd and the opposition grows... (11:15-12:1)

1. Temptation 1: don't be people-pleasers (12:1-3)

Because double-speak hypocrisy is exposed in the end

2. Temptation 2: don't be people-fearers (12:4-7)

Because God the eternal judge is the one to fear

And he does not forget you

3. Temptation 3: don't be anxious about publicly speaking of Jesus (12:8-12)

Because Jesus the judge will stand by you in eternity

And the Spirit will equip you now

Conclusion: Not easy, but wonderful: Fearing & trusting the father,

Acknowledging the Son,

Empowered by the Spirit!
