

Sermon Notes

Are we Anxious about the Right Things? (Part Two)

Luke 12:13-34

Intro: meet Mr A. Richman, EH9

1. Don't be a fool: there's more to life than accumulating wealth (13-21)

- The scene: a man with money on the mind misses who Jesus is
- The story: living for wealth & self is foolish in God's world
- The sting: as *anyone* who lives for money will discover

2. Don't be anxious: God knows what his children need & provides (22-30)

- Our Father cares for us
- Our Father can be trusted
- Our Father knows what we need

So instead...

3. DO seek God's kingdom: using wealth to help people get there!

- Because our hearts follow where we invest our wealth

Conclusion: will we adopt Jesus' agenda (v31), or keep ours (v13)?
