

Sermon Notes

If you will not listen...

Luke 16:14-31

Intro: How do seemingly good people end up in hell?

1. A deadly serious warning: mind the gap ! (14-15)

Why does this matter so much?

2. Because NOW is the time to seek forgiveness and enter God's long-promised kingdom (16)

3. So beware ignoring or downplaying God's words to justify your behaviour (17-23)

Example 1: God's words and redefining marriage (17-18)

Example 2: God's words and self-serving wealth (19-23)

4. Because people who refuse to listen and seek forgiveness in this life actually end up in hell forever (23-31)

Any chance of respite then? No. (24-25)

Any way out then? No. (26)

What about a warning? It's already issued! (27-31)

Conclusion: why is Jesus telling us this?
