Message of Hebrews

For you have need of endurance in order to stick with Jesus, to keep on following Him, listening obediently to His Word.
Stick with Jesus, by considering Him.

Main point of 2:5-18

Consider Jesus, who temporarily stooped below angels to become like us, so He could save His family from death to glory.

1. Consider the magnitude of Jesus' journey (2:5-9)

Verse 9 summarises.

Considering the magnitude of Jesus' journey helps us stick with Him.

- His descent
- His ascent – where He is now and where the world is heading

2. Consider why Jesus made this journey (2:10-18)

- To bring many people to glory
- To bring many people into His family
- To destroy the devil
- To deliver those in his family from death
- To help those in His family when they are being tempted
-
- To deal with our sin through His death

Considering why Jesus made this journey helps us stick with Him.
