

Sermon Notes

Consider Jesus

Hebrews 3:1-6

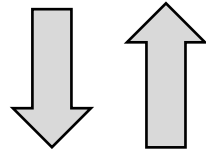

Intro: What's the key to long-term Christian hope and confidence?

➔ **All of us should think carefully about Jesus...** (3:1)

Q. What about Jesus should we be considering?

1. Just like Moses, Jesus is trustworthy... (3:1-2)

...as the SPEAKER God sent to us ("Apostle")

...as the REPRESENTATIVE God gave for us ("Priest")

2. Unlike Moses, Jesus is far greater and more glorious: (3:3-6)

...not just part of the house but the CREATOR of it!!

...not just servant in the house but the SON over it!!

Conclusion: if running low on confidence and hope... have we thought much about Jesus lately?
