## Will the Judge of All the Earth do Right?

*Genesis 18:1-19:29*

*Intro: the outcry then and now: where is the God of justice?!*

*Too slow? Too blind? Too lax? (or too harsh?)*

NB: Judgement on Sodom is repeatedly used as warning for all:

Isaiah 1:9-10; Jeremiah 49:17-18 & 50:49-50; Ezekiel 16:46-52; Zephaniah 2:8-9; Matthew 11:20-24; **Luke 17: 26-33**; 2 Peter 2:4-10; Jude 1:7

1. **God's final judgment is just:** he will not punish righteous people  
(18:16-33)
2. **God's final judgment is warranted:** no one is righteous, not one  
(19:1-11)
3. **God's warning of final judgment is urgent:** get up!  
(19:12-15)
  - The laughter at the warning
  - The lingering despite the warning
4. **God's mercy saves Abraham's family from final judgment**  
(19:16, 23-29)

*Conclusion: What will we do with Jesus' warning of final judgement?*
